PO Box 81, Northlands Western Australia 6905
Affiliated with the Subiaco Football Club

March 2010

Subject: Community Partner Request

Hello

The Karrinyup Saints Junior Football Club is a community Junior Football Club and our mission is to:

- **Be a model Junior Football Club that makes all our members proud.**
- **Be proud of our history whilst remaining confident that our future is bright.**
- **Develop players and individuals during their time with us.**
- **Focus on the children's development as footballers and teach them true sportsmanship and a love of activity.**
- **Continue to promote the benefits of player and parent involvement.**
- **Foster a community spirit within the club to promote ownership of the club by all community stakeholders.**

The Karrinyup Saints Junior Football Club has evolved through the joining of two successful junior clubs full of history the Karrinyup Junior Football Club and Osborne Park Junior Football Club which merged in 2000. Both clubs enjoying premierships and many players going on to play at WAFL and AFL levels. The Karrinyup saints have been one of Western Australia's most productive feeder clubs and are currently ranked seventh in the country at the grass roots level, with several past players represented at this elite level.

We believe in all our players getting a "fair go" regardless of ability and the club fosters a positive club environment for all of our players. Currently we have 7 teams in the modified / open rules competition and some 110 children between the ages of 5 and 8 who participate in our Auskick program.

We are seeking support to assist us in providing quality football opportunities and experiences for our members.

Community Partner packages available are attached and can be viewed on (www.karrinyupsaintsjfc.com). These represent a great opportunity to help the children in your local community.

Should you be interested in becoming a Community Partner of Karrinyup Saints JFC please contact David Elliott on 9447 1120 / 0412 683 902 / davide@westcoasteagles.com.au for a chat.

We thank you for your time and hope to hear from you in the near future.

Yours sincerely

Brad Cocker
President Karrinyup Saint's Junior Football Club
